PROLOGUE

September 8, 1958 is a day of great significance to us, the class of 1962. On that day, we were thrust into a new and entirely different way of life. Frightened and unfamiliar, we walked through the corridors, bewildered by the strangeness of this school which we have come to know and love.

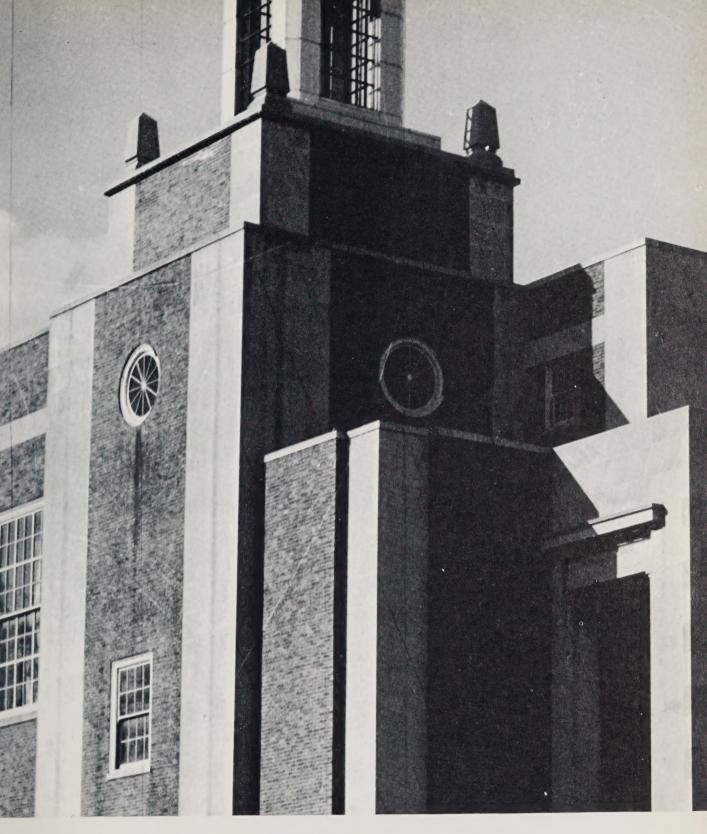

Now, as we are about to leave C.H.L.S., we compile this yearbook in order that it may always serve as a reminder of four wonderful and beneficial years.

CLASS HISTORY

1972—As we are cleaning out the drawer full of souvenirs, we come across "THE CANTAB 1962". Comfortably seated, we are transported back to that day in September, 1958 when we, the eager Freshman Class, entered the portals of Cambridge High and Latin School, where we spent several hectic weeks of struggling with locker combinations and being given wrong directions by upper-classmen.

Will we girls ever forget the G.A.A. Freshman initiation? Clad in unmatched, inside-out, clothing, we walked through the corridors, constantly being taunted by the upper-classmen.

Our annual Thanksgiving Day Game was lost to the school across the street (Rindge Tech).

Toward the end of the year, as the members of the Freshman class became more experienced, the Dramatic Club put on a production of Charlie's Aunt.

When Spring came along, so came our victorious Baseball Team, which won the Suburban League Championship.

Lily Delaney and Peter Nagornuik were chosen as our Freshman representatives to the Student Council.

Joy came to the class when we received our final report cards with S-O-P-H-O-M-O-R-E written across them.

Sophomore year seemed to be the hardest academically. Perhaps because we became

more familiar with our fellow classmates, we became more involved in the many social functions.

The G.A.A. sponsored many of these successful social events, including record hops, skating parties and splash parties in our new and fully equipped War Memorial Pool.

A hopeful sign for the next year's Football squad was holding Rindge to a 6-6 tie.

Our Sophomore representatives to the Student Council were Andrea Clark, Dave Murphy and Roger Maderia. Our Town, the Sophomore Dramatic Club production, was very successful.

Upon finishing our Sophomore year we were ecstatic with thoughts of becoming upper-classmen.

Our Junior year started off with the successful presentation of Teahouse of the August Moon. The great talent of our Dramatic Club was exhibited by their winning top honors in the New England Drama Festival with their interpretation of St. Joan. The Girls' Choir also received an excellent rating in the Northeast Music Festival, the same as in previous years.

Those girls who were invited into the KB, the girls' honor society, were again ridiculed in the corridors as they had been as Freshmen because of initiation. Because many of our classmates were new in the KB, more of us attended the KB Semi-Formal held at the Hotel Commandor on February 18.

Our basketball team had a good season with their new coach, Paul Lyons. Junior Student Counselors were Dave Murphy, Roger Maderia, Kathy Porter, Donna Dolan, and Maryann Sheehan.

Our Junior year was saddened by the passing of Mr. Murphy and Mr. McLaughlin.

After the graduation of the Class of '61 we became overjoyed with having reached our goal—we were Seniors!

In October of our Senior year, Student Commerce Day was held. The many business operations which we all observed that day were unforgettable experiences. Also in October we elected Dave Murphy as our Class President, Joanne Brescia as Vice President, Betsy Jason as Treasurer, and Rose DePhilipo as Secretary. Elected to the Senior Reception Committee were Chairman, Sophie Mitropolous, and Joanne Hillis, Paula Skinner, Donna Maynard, and Linda Mc-Caffrey. Serving on the Student Council this year were: Kathy Porter as President, Isabelle Hegarty as Vice President, Julia McCray as Secretary, Francis Riley as Treasurer, and Dave Murphy.

We were very proud of our Hockey Team for their hard drive in the State Hockey Tourney. Although they had a successful season, the Basketball Team did not enter the Tech Tourney.

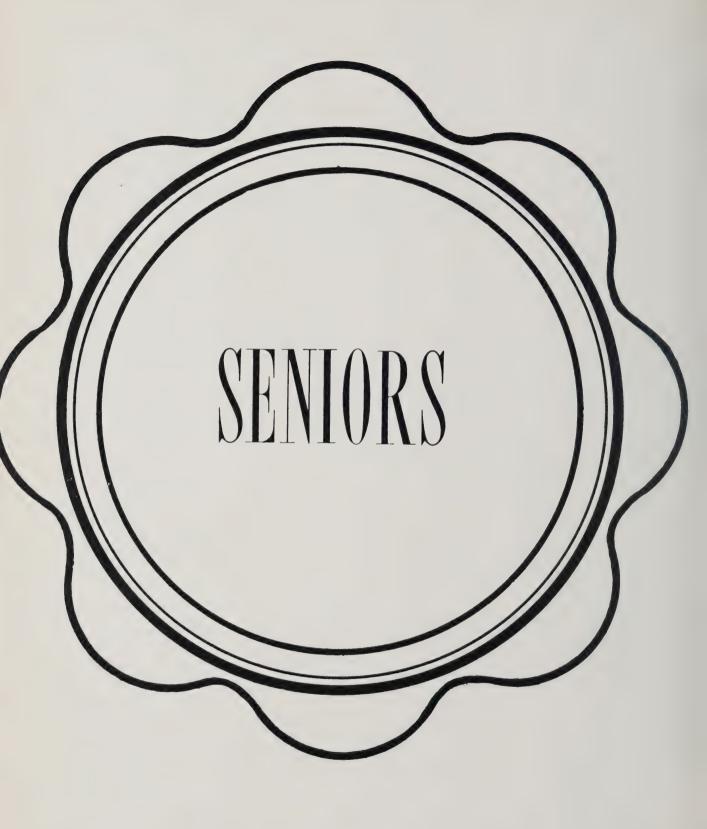

Chosen to represent our class at the Daughters of the American Revolution Convention was Donna Gibson.

The climax of our Senior year was the Senior Reception held at the Walker Memorial at M.I.T. on May 18th.

After our Senior Prom, all our thoughts turned toward graduation. We were happy in our preparation and we hoped that after June 4, 1962 we would not lose contact with all our friends and acquaintances which we had made in our four years at C.H.L.S.

SENIOR POPULARITY POLL

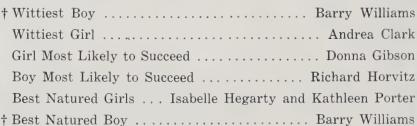

Class Will

We, the class of 1962 of C. H. L. S., having among us at least a one sound mind and body, whether or not they are possessed by the same person—do hereby write and publish this Last Will and Testament.

We leave:

- 1) To Mr. Sheehan in order that he will not have to repeat himself each day, tape recordings of his favorite announcements: "Can You Swim? Did you have your breakfast today? No Smoking In or Around the Building."
- 2) To Mr. Haley we leave a golf cart which he can use to travel between rooms 226 and 227.
- 3) To Mr. Frisoli and Miss Lynch we leave any young man or woman with novel excuses for tardiness because we feel ours are rather threadbare and worn out.
- 4) To the football team all sophomore and junior boys over 135 lbs. and best wishes for a new campaign.
- 5) To Mr. Dinsmore a suit with thirty-inch wide pockets so that he can carry a dozen more pens.
- 6) To Miss Davey and the wonderful English Department, hope for a more intelligent, more appreciative bunch of kids in the future!
- 7) To the freshman, sophomore and junior classes we wish we could leave elevators and escalators; oh, that grueling trip up to the third floor!

- 8) We also, for those who are conveniently absent on test days, leave to the local theaters educational movies so they can further their education in comfort.
- 9) We leave the lunchroom slogan, "Monday is Flannery Spaghetti Day."
- 10) To Mr. Elbery we leave a copy of the Wall Street Journal in order that he may keep an eye on all his precious stocks.
- 11) To Mr. Sateriale we leave a twovolume edition of "Guide to Better Handwriting."
- 12) To the nurse we leave a bottle of one million aspirins so that she will be adequately supplied for all future emergencies.
- 13) To Mrs. Allen we leave two flags, one green and one red so that she can direct traffic on way to the lunch room.
- 14) To the Three Musketeers of the third floor corridor, Mr. Higgins, Mr. Leary, and Mr. Elcewicz, we leave three slightly used lounge chairs so that they might solve the world's problems in comfort and relaxation between periods.

We, the graduating class of 1962, do now publish and declare this Document to be our Last Will and Testament.

EPILOGUE

The time has finally arrived when we must say "Good-bye" to all the thing that have become a part of the past four years of our lives. The friendly faces of our classmates, the familiar halls, the patient encouragement of our teachers — all these things will soon be part of our past.

We look forward to the future with wonder and expectation; but we realize that, each time we shall leaf through the pages of this yearbook, our hearts will recall all the happy memories of the four years we spent at C. H. L. S.
